Tribute to Patricia Liddiard MBE 31 January 2025

We are devastated to announce that our dear colleague and trustee of Transforming People's Lives, Patricia Liddiard, has passed away.

We are devastated to announce that our dear colleague and trustee of Transforming People's Lives, Patricia Liddiard, has passed away.

Patricia was fundamental in forming the charity and in shaping our vision for who we help and how we can have the most impact.

Pat was dedicated and devoted to improving the lives of people, particularly children and young people, and following a first career for a major oil company, Pat moved onto working with Barnardo's and other charities.

Pat was awarded her MBE in 2017 in recognition of her selfless work with children and young people's charities across the globe.

We are so grateful for her insight, energy and determination and for all Pat did for Transforming People's Lives. If you would like to donate in her memory, please contact us.
